

## Why join ICTM?

**Math. Learning. Belonging.**

Your membership is vital to continuing to promote equitable, high quality mathematics teaching and learning in Illinois.

Connect with other educators working to contribute to mathematics education!  
How?

- ICTM annual conference (if you are a member, your conference savings will exceed the price of membership!)
- Webinars monthly
- Twitter Chats monthly
- ICTM Bulletin provides professional development opportunities, math education news, and state updates unique to Illinois.
- Earn Illinois Professional Development Hours
- Share your teaching ideas!

What else?

- Nominate members of ICTM for ICTM awards.
- Read the Illinois Math Teacher, a journal with articles about teaching and learning K-16 mathematics.
- Volunteer at student math contests around the state for students in grades 3-12.
- Support scholarships for college students and conference attendees.

**Inspiring passion for mathematics.**
